

Rebuilding East Ninth Together
Team Meeting
Minutes 7-4-19

Mandy has to do list for herself, but doesn't really have anything for us right now.

Communication with artists right now is paramount. Mandy is wondering how to get info to artist the best way. Lane thinks that we should have hard copies of contracts, insurance, monthly meetings etc. Mandy has arranged that we should have our Wednesday meetings in the large meeting room in the Library, where we can be joined for a few minutes by artists for check-in. Wednesdays: July 24 6-8pm, Sept 18 5:30-7pm, Aug 21st 5:30-7pm. These are for the group meetings!
