

Notes 2/19/20

Large group Artist meeting

KT, Lane, Mandy, Joel Bonner, Nick Carswell, Oliver Hall, Kaitlin Stanley

Notes for artists:

Mandy from Alex: get those invoices in!

Lane: if you've got dates, get them to us! We'll put them into a calendar -- to share with the public, with other artists, etc -- perhaps avoid overlap. ELNA Yart Sale Saturday March 28th -- outreach opportunity.

Mandy: think about the wrapping-up of your project. What does a successfully complete project look like? We will want to include your insight into our final report. The contract is vague -- budget, community engagement, etc. Project's final thoughts could be in the form of a reflective essay -- just a couple of paragraphs -- or in the form of an exit interview. Anything that is valuable to posterity. Final "report" will be due by beginning of June. Mandy will find a firm date asap.
